2024 Community Input Survey - Part 2

As a non-profit, the TIPark Foundation maintains and provides capital funding for two leased properties; the Gazebo and the Community Playground. Please share your thoughts regarding the Community Playground and the Gazebo that will make these properties more valuable to your families. Your feedback will help the Foundation Board prioritize funding requirements in 2025 and beyond. If you would like to suggest “new” capital projects or community events, share them here.

The Thousand Island Park Foundation also collaborates with the Thousand Island Park Corporation leadership. If you have any questions or suggestions regarding this relationship or programs that are currently managed by the Corporation, please share below:

Lastly, should the Foundation continue to manage the Can & Bottle Recycling Program?
